Effective September 01, 2016

Electronic Disclosure Consent

By your consent below, you agree that we may provide you with all disclosures, notices, and other communications about Internet Banking, including your Internet Banking Agreement and any future amendments, in electronic form.

Other disclosures that we may provide in an electronic format include but are not limited to the following: monthly account statements, deposit account disclosures, changes in account terms, notice of fee changes, and privacy notices.

1. How to Obtain Electronic Disclosures (E-Disclosures)

We will provide notice of all future amendments to the Internet Banking Agreement by posting them on our website for at least 90 days. If the changes have an adverse effect on you or the services offered, we will provide you at least 30 days prior notice.

We may also send you an email and/or secure message through our Internet Banking Service that tells you where e-disclosures or statements can be viewed on our website. In the future, we may also send certain e-disclosures as an email and/or message attachment.

You may download or print electronic notices and disclosures from your computer if you have the hardware and software described below. You can also save copies to your hard drive for viewing and printing at a later time.

If you need help printing or if you need a paper copy, please contact us at 713-935-3700 or 844-972-4636.

Additional charges for paper copies may apply.

2. System and Equipment Requirements

A printer connected to your PC to print or download disclosures.

Sufficient hard-drive space on your PC to save any disclosures.

An email address.

If we revise hardware and software requirements to access and retain electronic disclosures, we will notify you of these changes at least 30 days in advance, and provide you a notice of your right to withdraw consent to electronic disclosures without the imposition of any fees.
